Hi, Ken –

Now that we're past the end of the fiscal year for the state, I'd like to get that follow-up meeting with Michelle Mata, Dat Quach and their supervisor scheduled. Based on the online organizational chart, it looks as though David Barker is the person we want to meet with – correct? We talked about scheduling a meeting for this month... are there any weeks that are particularly good or bad for you? Let me know, and I'll get something scheduled.

Agenda:

Ex. 6 Personal Privacy (PP)

Thanks,
Kristine
